### **How Do I Charge Clients for My Services?**

For preparation of a strategy recommendation and implementation, we quote our fees and commissions on an individual basis depending upon the type of advice required and the level of complexity of the advice. We will always advise you of our terms of engagement prior to commencing work on your behalf.

### **Commissions on Insurance Products**

Hive Group is paid upfront commission from the product issuer if you buy a life risk insurance product we recommend. Hive will receive an upfront commission of between 0% and 60% of the first year's annual premium and then an annual ongoing commission of between 0% and 20% of the annual premium. We will seek your initial consent in writing for us to receive the insurance commission payments.

For example, for an insurance product with an annual premium of \$10,000 (excluding GST and stamp duty), where the issuer pays us an upfront commission of 60%, we will receive \$6,000. The issuer will pay us 20% of the annual premium as an ongoing commission for as long as you hold the product. Assuming an annual premium of \$10,000 (excluding GST and stamp duty) equates to \$2,000 per year.

Our advice documentation and service agreements fully disclose all advice fees and commissions. Any changes to these fees and commissions will be disclosed to you when you receive further advice, a review of the service agreement, or additional product material. No fees will be payable by you in relation to our services or advice without your prior consent.

### **Claims Management Fee (External Clients)**

Our Claims Management Services for insurance claims are subject to the following fee structure:

**Lump Sum Claims** - The actual fee amount is provided and agreed to prior to managing the claim. Fees vary depending on the complexity of the claim. Our fee is based on a percentage of the claim benefit and is only charged if the claim is accepted, and benefit funds received. The maximum charge is 3% plus GST. For example, if your insurance claim is for a \$50,000 payout, we will receive a maximum of \$1,500 plus GST in the claims management fee.

**Income Protection Claims** – a monthly fee of \$100 plus GST only applies to claims payable over a year of benefits.

### **Estate Planning Facilitation Fee**

We have an Estate Planning Facilitation Service where we can assist you in getting your estate planning affairs in order by facilitating Wills, Testamentary Discretionary Trusts, Enduring Powers of Attorney (Financial and Medical) and Letters of Wishes. The facilitation uses the services of external Estate Planning Law Firms, who will provide you with legal advice. The facilitation fee of up to \$4,400 upfront plus GST covers our assistance and all legal documentation.

### **How Am I Paid?**

All revenue relating to our advice, including fees, commissions and claim service fees are payable to Hive Group. This revenue is shared between the relevant business and Hive Group under an arrangement fixed at 95%, up to a maximum amount.

This means that for every \$1,000 of income Hive Group receives relating to services and advice provided by us, Hive Group will retain up to \$50 and pass through a minimum of \$950 to the relevant business.
